

## Meeting Log

### 03/10/2022 – Initial planning meeting

- Created user stories and acceptance criteria.
- Started on risk assessment

### 04/10/2022 – Further planning and initial project start

- Organised user stories further
- Created initial wireframes together
- Assigned tasks and started the first steps of the project as a group.

### 05/10/2022 – Daily stand-up

- **Kishan**
  - Made a lot of progress with the Navbar yesterday.
  - Planning a few more small styling changes this morning to finish this off.
  - Will move onto creating the screens page next.
  - No problems or assistance needed currently.
- **Leo**
  - Started work on the footer yesterday.
  - Had a few display issues that he is currently fixing.
  - Would like a quick tutorial on pushing and pull requests.
- **Rebecca**
  - Started work on the opening times page yesterday.
  - Had a few issues making it display how she wants.
  - Will work to solve the issues and request assistance if needed.
- **Stephanie**
  - Started work on the homepage yesterday and will continue this morning.
  - Once homepage is done will start on the backend model and routes for films.

### 06/10/2022 - Daily stand-up

- **Rebecca**
  - Completed the opening times page yesterday.
  - She has sourced information for places to go and is planning the layout.
  - Would like some instruction on the bootstrap grid to see if it is a viable option.
- **Kishan**
  - Finished the screen page yesterday and is working on the find us page.
  - Once finished will work on search functionality.
- **Leo**
  - Has completed work on the footer.
  - Is working on the about us page.
  - Will get in touch if any assistance required.
- **Stephanie**
  - Added film schema and routes yesterday.
  - Will work on linking the backend to the homepage and will start on the listings pages.

### 07/10/2022 - Daily stand-up

- **Rebecca**
  - Finished the places to go page yesterday.
  - Will start on the individual film details pages.
  - Stephanie will give an explanation of how the films have been retrieved and the props to use.
- **Leo**

- Worked on the About us page yesterday.
- Will continue with this page today.
- Had a few display issues that he is trying to solve. Will ask for assistance if required.
- **Kishan**
  - Started on the search yesterday.
  - Will continue this today.
  - Would like an explanation from Stephanie on how to link to backend.
- **Stephanie**
  - Started the film listing pages yesterday
  - Will finish these pages today.
  - Is changing the functionality slightly to make use of nested routes.

#### **07/10/2022 Evening - Sprint Retrospective**

- Tracking the tasks and keeping track of what everyone was doing went well.
- Could have planned the tasks included better, Rebecca and Leo didn't quite manage to finish their tasks.
- All other tasks have been completed.
- Next sprint should be shorter to allow us to add tasks for a final polishing off sprint at the end.

#### **10/10/2022 - Daily stand-up**

- **Rebecca**
  - Has almost finished with the film pages.
  - Will continue to work on the film pages this morning.
  - Will then start working on the discussions page.
  - Kishan will act as a resource for the discussions pages to help with the backend.
- **Leo**
  - Is still working on ironing out the layout and issues with the About Page
  - Will reach out if he needs assistance.
- **Kishan**
  - Added an email form over the weekend with backend functionality implemented.
  - Will continue working on the contact page.
  - Will assist Rebecca with the discussions page.
- **Stephanie**
  - Started on the bookings functionality over the weekend.
  - Will continue with bookings today finishing off the functionality including a Stripe card element.

#### **11/10/2022 - Daily stand-up**

- **Rebecca**
  - Worked yesterday on creating the discussion page and hooking up the form submission to the backend.
  - Will work on improving the display and the functionality to display posts.
  - Kishan will assist as and when needed.
- **Kishan**
  - Finished the contact page yesterday.
  - Will assist Rebecca as required then work on the classifications page.
- **Leo**
  - Has completed the about page.
  - He will work on a login system to allow the approval of discussion posts.
  - Stephanie will assist when he gets to the backend implementation.
- **Stephanie**
  - Finalised most of the booking system yesterday.
  - Will refine today and link the time selection on the film pages.

### **12/10/2022 - Daily stand-up**

- **Rebecca**
  - Finished most of the functionality of the discussions page yesterday.
  - Is also almost finished with the layout and is trying to improve the rating selection.
- **Leo**
  - Still in the early stages of the login system.
  - Does not need to be over the whole site, main priority is admin approval on the discussion posts.
- **Kishan**
  - Finished the classifications page yesterday.
  - Will start work on backend testing.
- **Stephanie**
  - Finished the bookings system yesterday.
  - Will start work on back-end testing.

### **12/10/2022 Evening - Sprint Retrospective**

- Was a successful sprint and we completed lots of important functionality.
- Similar to the last sprint, some people ran out of tasks towards the end while others are still working to complete these.
- Better estimation of effort required for the tasks would have helped.

### **13/10/2022 - Daily stand-up**

- **Rebecca**
  - Finished the discussions page yesterday.
  - Will work on testing her routes.
  - Kishan or Stephanie available for questions.
- **Kishan**
  - Completed his testing yesterday.
  - Will create the presentation.
- **Stephanie**
  - Finished her testing yesterday.
  - Will write the documentation.
- **Leo**
  - Has sorted the layout for his login page.
  - Will work on the backend functionality.
  - Stephanie will assist where required.
  - Will then write tests for his routes.

### **14/10/2022 - Daily stand-up**

- Everyone has finished their testing.
- We will all check the site to fix minor problems.
- We will write our individual portfolios.
- We will go through the presentation to make sure we are all happy and will practice post lunch.
